## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Prior arts of record does not disclose an optical encoder. The encoder comprises: at least three light detecting elements, an evaluating means electrically coupled to said detecting elements, said evaluating means comprising : evaluating elements for receiving said output generated by said light detecting elements, an adder having at least two adder inputs and one adder output, said adder adding input signals received at said two adder inputs and generating a signal, and transmitting said signal along said adder output, a divider electrically connected to said adder output, said divider receiving said adder output, reducing said adder output by a factor, and at least two comparators electrically connected to said divider which structurally arranged and functionally operated as claimed in claims 1,15,23.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
